

This is Your Fast Track Ticket

Important: Please print this ticket or display it on your mobile device and present it when you check in for your donation so we can scan the bar code and retrieve your information.

Our goal is to make your donation experience pleasant and worthwhile while ensuring a safe blood supply for our community. Here's how you can help:

1. Bring your ID; something with your name and one of the following: date of birth, donor ID number or your photo.
2. Bring a list of all countries (and cities/areas) you have visited, including the dates, in the past 12 months. Do the same for all European countries you've visited since 1980.
3. Hydrate and eat a healthy low-fat meal before you donate.
4. Relax and celebrate your amazing achievement! Stay with us in the refreshment area for at least 15 minutes to enjoy light snacks along with a beverage to replenish your fluids.

We are grateful to have you join us and, together, we will do something amazing to change people's lives. Thank you!
